Re: Instructions for Patent Application Filing

Dear Valuable Associate,

Attached please find a Declaration and Power of Attorney to be signed and dated by the inventor(s). In addition, we require the following:

1. Detailed description of the invention, drawings and claims;
2. Name, address and nationality of the inventor(s);
3. If the invention is not owned by the inventor(s), the name of the assignee to which/whom the invention will be assigned. (An assignment will need to be prepared, filed and recorded with the US Patent and Trademark Office);
4. Copy of priority document, if any, the filing date of the priority document, country of filing and the application number; and
5. Minimum deposit in the amount of \$1,500 prior to filing. This may be increased depending upon what is required to put the application on file. If time is of the essence, the application will be filed and a preliminary amendment will be filed once a filing receipt has issued.

Please contact our office if you have any questions. We look forward to the opportunity to be of service.

Sincerely yours,

James W. Pravel
