Dear Mr. Pravel,

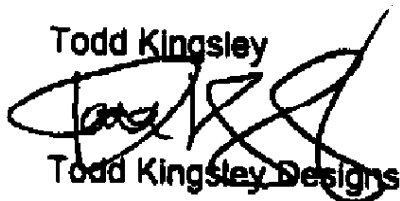

I wanted to take a moment to show my appreciation of your exemplary work. You were an excellent reference from The Lawyers Board of America.

Your rates have been fair, you have been on time with all the necessary elements of following through of trademarks. You have also provided additional support by reconsidering the wording of one of my trademark applications. You called the U.S. trademark attorney's office to make the modifications. This is not a simple task and you succeeded easily. Your efficiency has helped to refine and improve my position without me even asking you to do so. You are diligent and timely with the advanced notices you provide in your letters and this allows me to work effectively and efficiently with you.

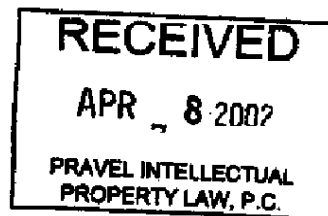

I look forward to a continuing relationship with you, as it has been a pleasure.

All The Best,

Todd Kingsley
